## *Dear Friends and Neighbours*

Christmas is an extra special time of year for sharing and giving. It is a time to celebrate the ties that bind us together as a community.

During the Christmas Season remember those who are less fortunate, and keep them in your holiday prayers.

As you enjoy the love, joy, hope and peace of Christmas,

Cherish your memories of time spent with friends and family and the happiness it brings to the Holiday Season.

May this holiday season be a time for love and renewed promise for young and old alike as we prepare ourselves for the year ahead.

Best wishes for a Merry Christmas and a Happy and Prosperous New Year.
